The documents listed below need to be submitted to Glion London before you arrive on campus or can be alternatively brought with you upon your arrival on campus to finalize your registration.

Documents can be sent in advance by email at infoglionlondon@glion.edu or directly to the campus by mail:

**Glion Institute of Higher Education**  
UK Admissions  
Rue de l’Ondine 20  
1630 Bulle  
Switzerland

**1. English Language Assessment**

All students holding an EU passport are required to submit evidence of English proficiency as outlined below, unless you are a native English speaker or have studied in an English-taught school for the last 3 years. ALL non-EU passport holders need to submit an IELTS for UKVI certificate as other types of exams are not accepted for TIER 4 student visa purposes.

**Undergraduate students**

- IELTS: Academic Module minimum overall band score of 5.5 and 5.5 for each part (listening, reading, writing, speaking).
- Cambridge First Certificate or advanced exams with the minimum score of 162 points. Please, also send the statement of results with your detailed profile.
- Pearson with the minimum score of 51 and 51 in each part (listening, reading, writing, speaking).

**Postgraduate students**

- IELTS: Academic Module minimum overall band score of 5.5 and 5.5 for each part (listening, reading, writing, speaking).
- Cambridge First Certificate or advanced exams with the minimum score of 162 points. Please, also send the statement of results with your detailed profile.
- Pearson with the minimum score of 51 and 51 in each part (listening, reading, writing, speaking).

Please note that TOEFL, TOEIC, Pearson, Cambridge and BULATS exams are no longer accepted by the United Kingdom Visas and Immigration for visa purposes. Therefore international students will need to submit an IELTS exam certificate with their TIER 4 visa applications. We strongly encourage all applicants to Glion London to take IELTS at a UK Visas and immigration approved centre.

All students will be tested on entry. If this diagnostic test reveals a very poor level of English, you may be asked to improve your English before starting your program.

**2. High School Diploma or equivalent (for undergraduate students)**

Undergraduate students need to provide a high school diploma or equivalent.

**3. Degree certificate (for postgraduate students)**

Postgraduate students need to provide an accredited higher education diploma (minimum 3 years) or a Bachelor degree.

**4. Criminal Records form**

Available within this acceptance package.

**5. Racial Discrimination form**

Available within this acceptance package.

**6. Minor form (if applicable)**

Available within this acceptance package.

Note: TIER 4 visa students may not be able to register if they fail to produce original copies of the English language exam and High School Diploma/degree certificate.
