ENGLISH EXAM

All candidates who cannot provide an officially recognized English Language Certificate must sit an English exam in reading, listening and writing (BULATS) which will be marked externally to enable us to have an official record of your English ability noted in your file. This exam will take place during the first week. You will be charged the amount of CHF 300.- for this service (payable onsite at the campus reception).

Please Note: You will not be officially registered as a student of GIHE until you have successfully fulfilled the admissions criteria.

In case you do not pass the BULATS exam, you will be advised to follow our English Language Course for a duration of 6 months before being able to join any of the GIHE Hospitality / Event, Sports and Entertainment management programs. You will be allowed to join the programs on the condition that you obtain the minimum required passing score at the end of the 6 months.

Please Note: We reiterate the importance of providing proof of your English Language skills before arrival. Please be sure to send this documentation as soon as possible in order for us to update your application.

STUDENTS WITH AN ENGLISH SPEAKING EDUCATION

If you have an English speaking education, you will be tested on entry. If this diagnostic test reveals a very poor level of English, you will be required to take the BULATS exam, and may be asked to improve your English before commencing the program.
