

Recognition of prior learning and the accreditation of prior learning (APL)

Credit Transfer Process

Recognition of prior learning and the accreditation of prior learning (hereinafter referred to as APL) enhances educational and professional mobility and aims to broaden the opportunities for lifelong learning. The APL assessment is made on the basis that learning can be documented and the applicant can demonstrate the standard they achieved from participating in these activities is comparable to the standards in the program in which they are seeking credit. Learning may include relevant professional experience. The onus shall be on the applicant to provide evidence during the application process and prior to official admission that demonstrates relevant skills, academic level, knowledge and understanding.

Glion recognize some prior hospitality work experience as academic credit transfer onto the BBA program only, although work experience does not replace admissions requirements into undergraduate and master's programs.

Application/Request for credit recognition and transfer to GIHE will be made to Admissions who will confer with the Academic Dean (or Program Managers) to agree transferability and entry point.

Requirements for the APL decision-making process are the following:

- An updated **Curriculum Vitae**
- Senior Secondary Education: **an official copy of the final transcripts and an official copy of the Diploma/Leaving Certificate**. If documents not in English, then an official certified/notarized English translation is also requested.
- **An official English language certificate** (IELTS, TOEFL, FCE or CAE) equivalent to the programs entry requirements as per the GIHE website. Certificate cannot be older than 12 months from the day the certificate has been issued and the program start*.
- **Previous studies and/or degree**: an official copy of all the transcripts (past semesters and current semester) from the institution the student attended*.
- **Academic catalogue/program syllabus with course unit descriptions/hours/credits**. Where GIHE has established credit precedents as identified through an approved articulation agreement, then accompanying official documents may not be needed. All documents must be in English*.
- **An official work/or internship certificate or work contract**. A diploma, a certificate or other documents certifying professional work experience learning including in-service training can also be sent (a job description, a directive on appointment to office, a professional certificate, a portfolio of or reference to work completed, etc.) *.

NB: Official documents are needed before arrival to campus, however provisional documents can be reviewed during the evaluation process.
