## **Chadwick North – Frequently Asked Questions (FAQ)**

### **1. Where is Chadwick North located?**

Chadwick North is situated just next door to Downshire House – it takes less than a minute to walk to Downshire House.

### **2. What is the storage space like in a Chadwick North bedroom?**

There is good storage space in a Chadwick North bedroom (shelving, a cupboard, and a desk with drawers).

### **3. What does the price for Chadwick North include?**

The price includes all bills (water, heating, electricity, and the internet – Wi-Fi throughout the building); students do not need to pay any bills once on campus. Bedding Bundle: Students purchase a Bedding Bundle for GBP 15.- per semester. This comprises a duvet and duvet cover, a pillow and pillow case, and one bed-sheet. (Students will likely require additional bed-sheets which they will need to purchase independently.) Residential Deposit: A refundable residential deposit of approximately GBP 265.- is required and charged by the University of Roehampton. It will be refunded at the end of the student's accommodation contract - providing no damage or charges have been incurred during their stay. The actual deposit amount will be confirmed upon application.

### **4. What is provided in a Chadwick North kitchen?**

A house kitchen has several fridges (4-6 depending on how many students live in the house), freezers, two microwaves, two kettles, two sinks, and two ovens. An iron and an ironing board are also provided.

### **5. What will I need to provide/buy when I arrive at a Chadwick North house?**

You are not provided with dishes, cutlery, or pots and pans; you will need to provide your own. However, we suggest you only buy a couple of things before you arrive as you may want to buy some items together with your flat-mates. If purchasing the Bedding Bundle, you will likely require additional bed-sheets for after the first week. Towels are also not provided.

### **6. Who will I be living with in a Chadwick North house?**

Students will be living with other Glion students. We do try and keep students of the same semester together, but this is not always possible due to numbers. University of Roehampton students also live in the same building as Glion students in Chadwick North but in different flats.

### **7. If staying for one semester do I need to check-out of a Chadwick North house between blocks?**

No, you will check-out at the end of the semester. During the summer break, you will need to have checked out of the accommodation. In this case, Glion London does not offer storage solutions; however, we can recommend reputable, local storage facilities that Glion London students have used in the past.

### **8. Can I request to stay in the same Chadwick North house as my friend? (Returning students)**

Yes, and we will try to accommodate this, but please note that due to high demand this is not always possible.

### **9. What facilities are there on campus?**

In addition to the facilities in Downshire House (the study room is equipped with Mac computers, and the building is open from 7am-10pm during the week and during the weekend), students have access to the following: the UoR library (where they can access the Glion area 24/7), the gym (membership is GBP 25.- a month, but many free classes are also offered), the restaurants and cafés on campus (more than 25), and more than 60 UoR clubs and societies covering various topics (sport, culture, hobbies, etc.) in addition to the Glion-run clubs (the Oenology Club, the Culinary Club, and the Football Club). Please note: there is also 24/7 security on campus. Students are provided with the security phone number on arrival and can use the phone in their flat to call security should there be any need.

### **10. What is Homestay?**
