

ENGLISH LANGUAGE ASSESSMENT – GRADUATE APPLICANTS

All applicants, except for native English speakers or those who can provide evidence of having studied for the last 2 years full time in an English speaking Institution, are required to submit evidence of English Proficiency as outlined below. Although most of the certificates have a validity of 2 years, due to immigration procedures in Switzerland, we can only accept certificates that are no older than 12 months from the day the certificate has been issued and the program has started.

Please send us the results/certificate by return email: admissions@glion.edu

Only IELTS Certificates issued by approved IELTS Testing Centers will be accepted.

If you provide the evidence of previous English Education, you will be tested upon entry. If this diagnostic test reveals a very poor level of English, you may be asked to improve your English before commencing the chosen program.
