

SUMMER PROGRAM 2020

An exciting and international
experience in hospitality

WHY JOIN THE GLION SUMMER PROGRAM 2020?

Combine theory with real-world experience as you get a taste of the skills and knowledge needed for a high-flying career in international luxury hospitality.

We made a short movie about our 2019 Summer Program
Check it out here

Explore, Visit and Learn

You will visit the finest luxury hotels, offering elegant service to today's discerning travellers. Seeing luxury hospitality up-close will help you discover what the industry is all about.

Depending on your chosen program, you will have the chance to take part in fun activities such as a trip to see a musical, movie nights, a trip to a top sports arena, visits to famous London sights, or a visit to a traditional Swiss village to see how cheese is made. And much more!

Introduction to the Luxury Hospitality Industry

During the Hospitality Management class, you will learn about career opportunities, as well as the personal skills required to be a successful professional in this fast-paced and fun industry. Be prepared to get involved, share your thoughts and have some fun! You will also learn about delivering exceptional personal service and creating memorable experiences for luxury clients and guests.

MasterChef and Dining Experiences

You will learn what 'excellent service' means in the hospitality industry and how to provide the best service to customers, as well as gaining an overview of the food and beverage industry. A MasterChef workshop will help you to understand how to work in teams to create a three-course lunch, which you will then enjoy eating! Dining Experience workshops will teach you how to differentiate and deliver service styles in a fun and practical way.

Discover the Glion Spirit and Make Life-Long Friends

Your Glion Summer Program team will organize a series of unique activities, such as dining out, excursions, team games and a farewell party – giving you the chance to enjoy London and/or Montreux and discover the famous Glion Spirit! You will explore the global tourism and hospitality business, while making new friends from all over the world – it's the perfect start to your future hospitality career.

CHOOSE FROM THREE DIFFERENT OPTIONS

Three Ways to Experience the Best of Glion

With three study options available, the Glion Summer Program will give you a perfect insight into the world of luxury hospitality and a taste of what our undergraduate business degree students learn.

You will have the opportunity to study in two different locations, while meeting people from around the globe and making life-long international friendships.

Our campuses

Glion: on 'Top of the World'

Our flagship Swiss campus is nestled in the mountains above the Montreux Riviera, with awe-inspiring (and Insta-worthy) views of Lake Geneva and the Swiss and French Alps.

London: Pick up the Pace

If you like the big city buzz, there's no better place to discover the world of hospitality than London – a top three global tourism destination. The heart of the city is easily reachable from the Glion campus based on the campus of the University of Roehampton.

Glion/Montreux, Switzerland One-Week Course

The Summer Program takes you to the birthplace of hospitality – Switzerland. Here you will learn hands-on hospitality skills in kitchen, service and rooms divisions, visit local attractions, and see first-hand how the famous Swiss chocolate is made.

London, UK One-Week Course

Through workshops and trips to world-famous brands, you will learn what it takes to manage an international hospitality business. The schedule includes a visit to a luxury department store and a tour of a luxury hotel.

Switzerland & UK Two-Week Course

If you are looking to truly immerse yourself in hospitality and see the industry from two cultural perspectives, you can choose to complete a week in both Switzerland and the United Kingdom.
