

5-year luxury specialized Bachelor's + Master's learning journey offer

BACHELOR'S DEGREE

in International Hospitality Business with specialization in Luxury Brand Strategy in Switzerland or London

+ MASTER'S DEGREE

in Luxury Management and Guest Experience in Switzerland

Step confidently into the world of luxury

The international luxury industry is among the most dynamic, exciting and rewarding places in which to forge a leadership career. And never more so than today, as mythical brands respond to the dreams and desires of younger generations while seeking to retain their timeless consumer appeal. As it transforms, the industry needs fresh talent; but to get noticed in luxury you need that something extra. Something that will make your resume stand out to the most desirable employers.

Our Passport to Luxury Leadership is purpose-designed to deliver this, across five years of concentrated, career-focused study. Starting with our flagship Bachelor's degree, you will be immersed in the world of luxury hospitality, including a final semester specialization in Luxury Brand Strategy. Then, as a graduate, you will move straight into our Master's in Luxury Management and Guest Experience, a one-of-a-kind program that covers a diverse range of luxury sectors, including hotels and resorts, fine food and wine, ultra-luxury travel, plus fashion and design. There is no better pathway to success in luxury; no better Passport to Luxury Leadership.

The Glion luxury experience on campus

Glion & Bulle, Switzerland

Your Swiss studies will be split between our two campuses, Glion and Bulle. Your Bachelor's begins at our flagship Glion campus, nestled in the hills overlooking the Montreux Riviera. This is not just one of the most beautiful settings of any place of learning; it can also trace its origins to life as a luxury hotel, giving the campus a unique luxury essence. This is encapsulated by its fine dining restaurant, bistro and lounge bar, Maison Décotterd. Also in Switzerland is our modern, university-style campus located in Bulle, a charming medieval town situated in the rolling countryside of the Gruyère region.

Glion London, United Kingdom

If you are attracted by energetic, capital city life, you can take advantage of the fact that we are unique among Swiss hospitality business schools in offering a campus in London. Study part of your Bachelor's here and you will have the chance to sample some of the world's most celebrated luxury hotels, including The Savoy, The Dorchester and The Ritz, together with the world-famous luxury shopping destination, Bond Street.

Why study our 5-year Passport to Luxury Leadership?

You will excel from a solid foundation

Success in luxury is built on appreciating the fine details; get these right and you will make the perfect impression. Our Bachelor's program starts with an immersion in hospitality's practical arts, allowing you to master the core skills through hands-on learning.

Three internships allow you to build eye-catching experience

Employers value real-world experience in the same way that a luxury jeweler values a diamond. Professional experience is your currency and the USP that turns your double degree into an unbeatable asset. The Bachelor's program includes two six-month internships and the Master's program includes one – adding up to a year-and-a-half of work experience on your resume. Our dedicated Career & Internship Team will guide and support you in finding the right positions to help you build towards your future aims and ambitions.

This is a uniquely specialized luxury pathway

If you want to make waves in luxury, you need the specialist knowledge that gives your ideas and opinions credibility. Your Bachelor's Luxury Brand Strategy final semester specialization offers in-depth study across five topics, including Building a Brand Identity and Achieving Service Excellence. This provides the ideal stepping-stone to your Master's studies, where you will develop your management skills and build your luxury network.

This offer makes a wise investment

By selecting the 5-year Passport to Luxury Leadership offer, you will gain a financial advantage compared with studying the Bachelor's and Master's separately. In addition, the tuition fees in place at the time of your initial commitment are guaranteed for the duration of your studies, providing extra peace of mind.

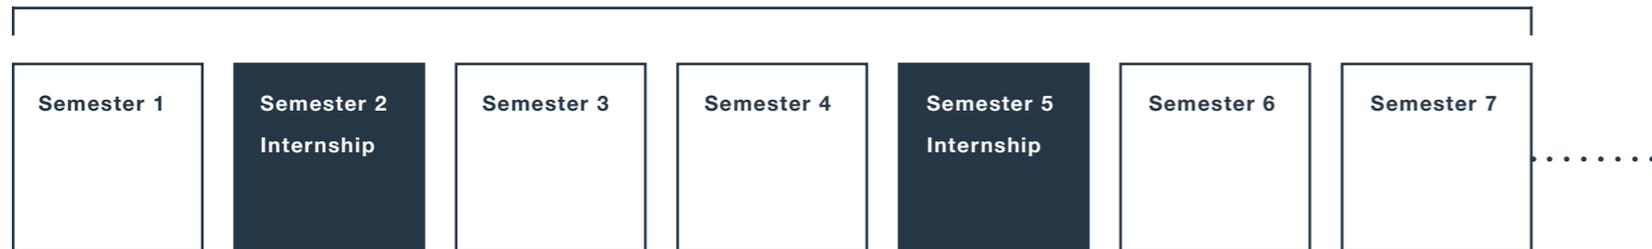

Your 5-year academic journey

*To enable you to experience student life at both our Swiss campuses, you will spend the Fall semester on Bulle campus and the Spring semester on Glion campus.

**UoR – University of Roehampton.

1. Please refer to the chapter on 'Insurance' in the terms and conditions section. 2. The room cost shown is approximate, based on 2021 prices, and subject to change. The actual cost will be confirmed upon application, and will be invoiced by and paid to the University of Roehampton (UoR).

Additional information about *this offer**

Choosing this offer delivers two important financial benefits:

You will enjoy reduced tuition fees in comparison to studying the two programs separately (compared to the rates in effect at the start of Spring or Fall 2022 semester).

You will lock in an exceptional tuition fee freeze for the duration of the 5-year program. Please note that this freeze is not applicable to other fees, such as those covering learning resources or housing. If you transfer to a Les Roches campus, the then-current fees of the relevant campus will apply.

Terms and Conditions

Passport to Luxury Leadership

5-YEAR LUXURY SPECIALIZED BACHELOR'S + MASTER'S LEARNING JOURNEY OFFER:

- Those Terms and Conditions ("T&C Passport to Luxury Leadership offer") shall only be applicable to the Spring or Fall 2022 intakes, under the condition that they were requested at the time of registration.
- T&C Passport to Luxury Leadership offer cannot be claimed later.
- T&C Passport to Luxury Leadership offer cannot be combined with any scholarship offered by Glion, if applicable.
- Application of the T&C Passport to Luxury is dependent on the continuation of studies for the duration of the Passport to Luxury Leadership Offer in its entirety. Therefore, if the student discontinues his/her studies, Glion reserves the right to bill the difference between the tuition fees of the Passport to Luxury Leadership Offer and those actually in force at Glion for the semesters the student completed.
- Application of the T&C Passport to Luxury is dependent on the completion of the program in a maximum of six years. After that time, the rates for the special offer of the Passport to Luxury Leadership Offer are no longer guaranteed and Glion reserves the right to bill the current tuition fees.

- The conditions of the Passport to Luxury Leadership Offer above are in addition to the course conditions and fees traditionally applicable upon registration at Glion campuses in Switzerland and in the United Kingdom as described.

Application fee – Switzerland

A non-refundable application fee of CHF 275 is required with each application for Glion Switzerland programs.

Application fee – London

A non-refundable application fee of GBP 175 is required with each application for Glion London campus.

Damage deposit – Switzerland

A refundable damage deposit of CHF 1,250 is required to cover any damage caused to Glion property by the student during his or her studies, regardless of the student living on campus or not. This deposit also covers the uniform deposit as well as other items including the deposit for a locker and a washing machine card. It is payable at the time of the student's first invoice and will be credited on the student's account at the end of their last on-campus semester. The remaining positive balance (providing no damage or charges have been incurred during their stay) will be refunded to the official sponsor three months after the end of their final semester.

Residential deposit – London

A refundable residential deposit of GBP 265 is required and charged by the University of Roehampton. It will be refunded at the end of the student's accommodation contract – providing no damage or charges have been incurred during their stay. The actual deposit amount will be confirmed upon application.

Fees for studies – Switzerland

TUITION FEES COVER:

Tuition, some events and facilities (i.e. conferences, leisure and sports activities, etc.), Luxury Gastronomy and Hospitality Masterclass in semester 1 (transportation, accommodation, half board and other school-planned activities), other school supplies, administration charges for internship(s), Swiss VAT, contribution to the Alumni Association of Glion (AAG), tutoring (when necessary), industry presentations, examiner fees, access to the Health & Welfare Counselor, and career counseling. Any unused services, clothes, school supplies, benefits, etc., included in the main fees are non-refundable.

LEARNING RESOURCES FEES COVER:

Various learning materials such as textbooks, e-books, access to library and online database, etc.

BUSINESS FIELD TRIP FEES COVER:

Transportation, lodging, logistics, activities, and academic delivery and assessments. Field trips are a compulsory part of our programs like any other courses of your program curriculum.

ADMINISTRATIVE FEES COVER:

The school's administrative costs related to the student's study visa and residence permit (excluding legal and court charges if the visa or permit is refused, and an appeal is made by the student), as well as administrative services such as communal & cantonal fees obligations.

COMPULSORY ACADEMIC & LIVING EXPENSES COVER:

The application fee, the damage deposit, accommodation and food & beverage prepaid in semester 1, learning resources, practical arts courses apparel, and health & accident insurance.

FEES DO NOT COVER THE FOLLOWING OPTIONAL OR ADDITIONAL EXPENSES:

Special accommodation, parking, personal out-of-pocket expenses (including travel to and from the campus and the site of the student's internship), a laptop, resit fees, on-campus or online retake and resubmission fees, and the LINGUASKILLS exam fee.

Fees for studies – London

TUITION FEES COVER:

Tuition, some events and facilities (i.e. conferences, leisure, etc.), University of Roehampton Students' Union membership, administrative costs, other school supplies, administration charges for internship(s), UK VAT, contribution to the Alumni Association of Glion (AAG), tutoring (when necessary), industry presentations, and career counselling. Any unused services, school supplies, benefits, etc., included in the main fees are non-refundable.

LEARNING RESOURCES FEES COVER:

Various learning materials such as textbooks, e-books, access to library and online database, etc.

COMPULSORY EXPENSES COVER:

The application fee, the residential deposit and learning resources.

BUSINESS FIELD TRIP FEES MAY COVER DEPENDING ON THE LOCATION:

Transportation, lodging, logistics, activities, and academic delivery and assessments. Field trips are a compulsory part of our BBA programs: they are subject to assessments and are an integral part of the BBA7 grades and students' results.

FEES DO NOT COVER THE FOLLOWING OPTIONAL OR ADDITIONAL EXPENSES:

Board (including food), single room accommodation at the University of Roehampton, special accommodation, parking (not available on campus), additional linen, laundry costs, health insurance while on internship, personal out-of-pocket expenses (including travel to and from the campus and the site of the student's internship), and a laptop.

Room – Switzerland

Room fees include accommodation in a double superior room with en-suite bathroom. Depending on availability, students might be assigned a double standard room with shared bathroom (with a reduction of CHF 500.- per semester).

New students who have paid the pre-payment and have received their acceptance documents will be invited to select their room on the accommodation platform as soon as it is opened. The room type will be confirmed only upon receipt of the full due amount by the official payment deadline on a first-paid first-served basis.

Subject to availability, students can select a single room for an additional fee. Room selection and confirmation are per semester. There is high demand for the limited number of these rooms, so we advise students to settle the full due amount as early as possible, as room allocation occurs on a first-paid, first-served basis. Students risk losing their room upgrade choice if they do not meet the deadline of the full payment.

The prices below are in Swiss Francs, per person, for the duration of one semester, and in addition to the double superior room with en-suite bathroom fee:

ROOM CATEGORY AND FEATURES	ADDITIONAL FEES
A – Single standard room – shared bathroom	CHF 2,400
B – Single superior room – en-suite bathroom	CHF 3,700

Prepaid food & beverage account (based on consumption) – Switzerland

At the beginning of the semester, the F&B prepaid card is charged with the amount specified in the fees. This card can be used in the various outlets on campus. The prepaid amount must be used before the end of the semester and is not refundable nor transferable. Students can top-up their card at any time.

Campus closures in 2022-2023 Switzerland

Rooms are not available to students and F&B services will not be provided during the following period:

- From 19 December 2022 to 1 January 2023 inclusive

Room – London

Bachelor students can select to live on campus during their studies, subject to availability. If accommodation is taken, students will be booked a single en-suite room, provided and invoiced by the University of Roehampton (UoR) campus, for which the UoR T&Cs apply.

Other expenses

It is estimated that students require, on average, a sum of CHF 500 in Switzerland and GBP 450 in London, per month, to finance their out-of-pocket expenses such as snacks and drinks, entertainment, personal supplies, laundry, and any other personal expenses.

Please note that the estimated GBP 450 per month in London does not include board. Students will need additional funds to cover board costs.

Insurance – Switzerland

Health and accident insurance is mandatory in Switzerland; therefore, non-Swiss resident students are required to take the health and accident insurance provided by Glion that covers them while on campus and on internship. However, if students have a private, valid insurance coverage equivalent to the Swiss health insurance coverage scheme, they are required to follow the procedure to become exempted by the Swiss authorities (information about exemption and the validation of foreign insurance plans is available from the Admissions Department).

Students under a European health insurance scheme who wish to use this coverage whilst studying at Glion are required to provide a valid copy of their personal health insurance card to have the health insurance fee deducted from their invoice for the semester. If students fail to complete this procedure prior to their registration on campus, they will automatically be registered for the insurance provided by Glion at the most competitive rate, which may vary from one semester to another.

Students who have been granted the exemption by Swiss authorities are responsible for verifying the validity of their private health and accident insurance coverage in Switzerland and on internship in Switzerland or abroad; Glion will not cover any health or accident-related expenses.

Personal and private insurance, to cover issues such as damage or theft of personal property, is not mandatory but is strongly recommended and is the student's responsibility. Glion cannot be held responsible for the theft of personal belongings, student damage or third-party insurance. The health insurance fee invoice for the internship semester(s) will be sent with the invoice for the previous on-campus semester.

Insurance – London

While studying in the United Kingdom (UK), all students, regardless of nationality, are entitled to accident and emergency care free of charge. For all other health matters, eligibility rules apply:

- Depending on the length of stay in the UK, nationals of countries with a bilateral health agreement with the UK are entitled to access treatment – some treatments are excluded and costs may apply.
- Nationals of those countries without a bilateral health agreement with the UK are entitled to access treatment but will be charged.

Internships: If completing an internship outside of the UK, students are responsible for – and strongly advised to have – suitable health and accident insurance for the duration of their internship.

Internships

All students are requested to complete their internship(s) in establishments approved by Glion. The main objective is to prepare students for their professional careers by developing their managerial, entrepreneurial and personal skills to the fullest through interesting and challenging internships. Glion has established excellent relationships within the hospitality and tourism industries, and a wide choice of training opportunities is offered to students in large, medium or small companies in Switzerland and/or abroad. However, some countries can be restricted by government visa/work permit policies and/or language requirements. Although internships are generally paid by the employer, the remuneration received cannot be expected to finance studies at Glion.

Laptop policy

Students will need to have individual access to our Intranet site, which hosts student information including support, teaching documents and other learning resources. Students will also need to use the Internet for their project research to access online library resources or emails. Students must bring their own laptop that meets Glion's requirements. Laptop specifications will be sent directly to the student upon confirmation of their enrolment and are also published on our website under www.glion.edu/new-students.

Visa application procedure for accepted candidates – Switzerland

Accepted candidates will receive an acceptance letter from the Admissions Department detailing the visa application procedure.

Students are responsible for completing the visa application procedure and are strongly advised to apply immediately as it takes at least two months to obtain a visa. If the student is a national of an EU/EEA country or Switzerland, a visa is not required to study in Switzerland.

For those who need an entry visa, it is imperative to request a Type D Study visa (not a tourist visa). Candidates must make a personal request at the Swiss Embassy/Consulate in their country of residence and present the school's attestation.

Once the visa is approved (after 8 to 12 weeks), the embassy/consulate will notify the candidate who then must collect the original visa from the embassy/consulate and other supporting documents listed on the website of the local Swiss consulate.

Visa application procedure – London

To study in the United Kingdom (UK) for more than six months full time, international applicants will need to apply for a Student Route visa (not a tourist visa). Students are recommended not to apply for their visa earlier than three months prior to the start of the program. Before submitting a visa application, please view the full guidance document below.

For the latest information on immigration regulations, view the links below.

Pre-payment

New students will receive their acceptance documents after receipt of the CHF 5,000/GBP 4,000 pre-payment. This pre-payment confirms the place in the program and is non-refundable, except in case of mitigating circumstances assessed by the Students Accounting Committee. The pre-payment is deducted from the student's first invoice.

Please note: If the student postpones his or her studies after the pre-payment has been made, the balance will be carried forward to the next two intakes (one year) only.

Payment

Payments must be made in full in Swiss Francs or in GBP (depending on the study location) no later than 15th November (for the Spring intake) or 15th May (for the Fall intake), unless a payment plan contract has been approved. For returning students, this payment confirms their place in the program and room allocation. Students will not be permitted to begin the semester until the due amount has been received. Academic documentation (transcript of grades, degrees, attestations, etc.) are only delivered/awarded after all due fees and charges have been paid in full. Glion reserves the right to suspend from his or her studies, at any time, a student with pending due amounts or non-respected payment plan installments.

Scholarships

As a private institute, Glion provides a limited number of scholarships for new and returning students. Scholarships are competitive and linked to Glion's admissions strategy, which aims to assist motivated young people to study at our institution. Each scholarship has specific criteria, and eligibility for a scholarship is examined on a case-by-case basis for those students who have submitted a complete application. Scholarships are granted at Glion's sole discretion. Scholarships apply to tuition only, are not cumulative and do not apply to on-campus or online retake fees. The Scholarship Policy is reviewed each year and can be changed at any time and without prior notice.

Refund policy

Except as described hereinafter, all fees outlined and paid for are non-refundable. As per the pre-payment section, if a new student cancels before the official arrival date on campus, only the pre-payment of CHF 5,000/GBP 4,000 will be retained. If a student is dismissed or withdraws from the program during a semester (after the official check-in day), all fees are non-refundable.

If a returning student withdraws from the program after the payment deadline and/or does not attend check-in, then a cancellation fee of CHF 500/GBP 300 will apply.

If the student has to take a break from their studies due to mitigating circumstances approved by the Glion Students Accounting committee, any unused fees for tuition, accommodation and the remaining credit of the F&B prepaid card will be credited if the student returns to Glion within two years. The unused tuition and accommodation fees (Swiss campuses only) are proportional to the number of weeks remaining in the semester that have been invoiced for. In any case, if the due fees for the semester have not been settled in full, the outstanding amount will be (or become in case of payment plan) immediately due and Glion will ask for instant payment.

At the end of the studies (or if the student definitively withdraws), the sponsor can claim for the refund of the positive balance for a maximum of two years after the last official check-out day of their last on campus semester.

Sponsorship

Sponsorship is a financial commitment by a sponsor (parent, legal guardian or any other person) where the sponsor undertakes to pay any fees and other charges on behalf of the student. Notwithstanding any sponsorship commitment as part of the application process, the student remains liable for any outstanding debt. Any reference in these Terms and Conditions to liability of students shall also infer liability on the sponsor of the student as the case may be and such liability is joint and several.
